## Latest Models **L301** COLOR LABEL PRINTER

### Digital Colour Label Printer Ideal for Small Businesses

Creating professional labels on demand is easy with the L301. Bringing short-run label printing in-house saves time and money. Eliminate lead times, setup fees, plate changing fees and the minimum order quantities associated with outsourcing labels.

The L301's roll printing capability allows businesses to print professional quality labels as needed.

**No more wasted time, wasted money, or wasted labels.**

### Key Features

- Professional looking labels, on demand
- Simplify workflows and eliminate the hassles of sheet printing
- Flexibility to change label designs and content on the fly
- Minimise waste by printing only the labels you need
- Economically priced specifically for small businesses

Easy-to-use front panel touchscreen  
Makes setup and adjustments quick and painless

Wide range of media compatibility

Compact desktop design  
Fits nicely in any work area  
48cm x 55cm x 18cm

Proven HP® print technology  
Creates vivid, high-resolution text and images for eye-catching labels

## L301 COLOR LABEL PRINTER
